

Evidence of Impact of PE and Sport Premium 2022/23

Schools must use its allocated funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

This document demonstrates our provision and how we spend our Sport Premium budget.
